

Human Resources and Payroll Department

Announcement – Final Results

In accordance with the final report dated October 1, 2026, regarding the competition to fill a temporary vacancy for the position of *Scientific Research Assistant (ACS) – Master's student* member – within the project "**Exploitation of the multifunctionality of customized polysaccharides in the design of nanostructured sorbents for wastewater treatment**" (acronym: **MPSorb**), part of the National Research, Development, and Innovation Program 2022–2027, the competition committee has determined and decided the following:

No.	Candidate ID	Code Score *Written Exam	Score *Oral Exam	Final Result	Status
1.	4142	9,65	10,00	9,75	ADMITTED

The candidate declared "ADMITTED" must report to the Institute's Human Resources and Payroll Department to complete their personnel file and finalize their individual employment contract.

This announcement was published on the Institute's website – "Competitions" section, by the Competition Committee Secretary, on October 1, 2026.
