ANNOUNCEMENT **regarding the selection of competition files**

In accordance with the minutes of the competition application screening drawn up on September 22, 2026—following the review of applications for the temporary vacancy of **Scientific Research Assistant (ACS) (PhD student member)** within the ERA Chair project "**BIOMAT4CAST - Petru Poni Institute of Macromolecular Chemistry Multi-Scale in Silico Laboratory for Complex and Smart Biomaterials**", acronym **BioMat4CAST**, Project No. **101086667**, under the **HORIZON-WIDERA-2022-TALENTS-01-01** call.

the competition committee noted and decided the following:

No.	Identification code assigned to the candidate	Result of the competition application screening	Observations / Reasons for rejection, where applicable:
1.	3845	REJECTED	Not eligible – university documents and transcripts missing
2.	3847	REJECTED	Not eligible – university documents and transcripts missing
3.	3846	ACCEPTED	Eligible
4.	3851	REJECTED	Not eligible – university documents and transcripts missing
5.	3865	REJECTED	Not eligible – university documents and transcripts missing
6.	3866	ACCEPTED	Eligible
7.	3907	ACCEPTED	Eligible
8.	3919	ACCEPTED	Eligible
9.	3947	REJECTED	Not eligible – documents like essay and transcripts missing
10.	4266	REJECTED	Not suitable for the R1 (Phd student) position due to career stage. The Evaluation Committee has determined that the candidate's documented academic and research career stage is clearly beyond the R1 level, corresponding to R3/R4 rather than the R1 level required for this position.
11.	4295	REJECTED	Not eligible – university documents and transcripts missing

Appeals regarding the results of the application file review must be submitted by 14:00 on September 23, 2026. Candidates accepted following the review of their application files will take the written test (essay evaluation) on September 24, 2026, at 10:00, at the Institute's headquarters.

This announcement was published on the Institute's website – "Competitions" section – by the Secretary of the Competition Commission on September 22, 2026
