ANNOUNCEMENT **regarding the written test (essay evaluation)**

According to the official record of the written test (essay evaluation) drawn up on September 24, 2026, for the competition to fill a temporary vacant position of Scientific Research Assistant – ACS (PhD student member) within the ERA Chair project "BIOMAT4CAST – Petru Poni Institute of Macromolecular Chemistry Multi Scale in Silico Laboratory for Complex and Smart Biomaterial" (acronym: BioMat4CAST, project code 101086667), the competition committee noted and decided the following:

No.	Identification code assigned to the candidate	Score
1.	3846	8.25
2.	3866	8.37
3.	3907	5.67
4.	3919	9.04

Appeals regarding the results of the written test (essay evaluation) must be submitted by September 25, 2026, at 14:00.

Candidates who have passed the written test will take the interview on September 28, 2026, at 10:00.

This announcement was published on the Institute's website—under the "Competitions" section—by the Secretary of the Competition Commission on September 24, 2026.
