

MedMolMed 2025

MEDICINE, MOLECULAR AND ENVIRONMENTAL SCIENCES 2025

10-15 November 2025,

Chişinău, Republic of Moldova

“From chemistry to medicine – 35 years of Moldo-Romanian scientific collaboration”

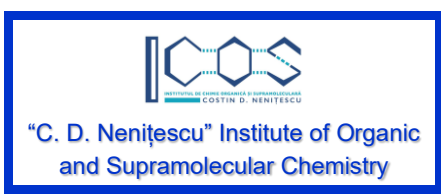

Goal:

The **MEDICINE, MOLECULAR AND ENVIRONMENTAL SCIENCES** congress (**MedMolMed 2025**) aims to play a key role in developing research and expanding collaboration in the fields of molecular and life sciences. Expanding collaboration between scientists from Moldova and Romania is essential for maintaining their relevance, competitiveness, and visibility in the European and global academic area.

Organizers:

Co-Organizers:

Topics:

Basic and applied researches as well as case studies in the fields of medicine, chemistry, physics and all related biomedical and molecular areas (pharmacy, biochemistry, food sciences, material sciences, crystal engineering, ecology, etc).

Main Sections:

- | | |
|-----------------------|---|
| S1. Chemistry | S4. Ecological Chemistry and Environmental Protection |
| S2. Medicine | S5. Biotechnology, Food and Plant Sciences |
| S3. Materials Science | |

Pre-registration and Registration:

The pre-registration, Registration, and the Abstract template are available on the web site of the congress. In order to get priority information related to the congress and related events, we invite you to submit the Pre-registration form indicating your intention to participate in the event and the section(s) of interest.

Registration fees:

- 250 € regular academic participants;
- 500 € industrial / commercial participants;
- 150 € students and researchers under 35 years;
- 100 € accompanying persons.

Important Dates:

- **15 September 2025** – extended deadline for abstract submission.
- September 2025 – notification of abstract acceptance.
- 1 October 2025 – deadline for participation fee.
